5. (U/AIUO) Industrial Security Program

The Director of Security announced that fourteen new positions have been approved for an expanded Industrial Security Program to commence officially on 1 October 1977. A new unit within the Office will be created to service the expanded activity. Staffing of this unit will require some transfers of personnel in and out of Headquarters.

6. (U) Project Outreach

Following completion of test Family Day tours this month, it is anticipated that the first public tour will be held on Saturday, 17 September. Exhibits are either complete or almost so and plans have been made for parking, internal control, and informational service. Visitors will be required to obtain admission tickets from their Congressman or Senator.

Project Outreach will be extended by additional media coverage. The TV production "Good Morning America" plans a one-hour production which will feature a live broadcast of the DCI commenting on film depicting recruiting and training of Agency personnel. Filming is scheduled to begin on 17 September.
